

Bid A Wee Parking
Thursday, April 13, 2017

Below is the email received by Jerome Weldon from the president of Bid a Wee Beach Park:

Dear Jerome,
Just to let you know, we have received our permit from FDOT for the removal of the parking area.
We will now get estimates for the work. When we know the exact date that the work will be done,
I will write you a letter so that you can inform the owners of Fontainebleau what will happen.

Thank you, Jeannie Krohn
